

Dear Guests,

# Paul & Alex

have registered online at *FortheMoon.com*,  
An Online Honeymoon Registry Service!

Registering for a honeymoon is a unique experience where you can purchase items for the couple's honeymoon like you would with a traditional registry. Whether selecting a night at a romantic resort or a helicopter tour for two, you are guaranteed to give the couple a gift they have always dreamed of!

Visit their registry at *www.forthemoon.com* or call us at *1-800-990-4008* for information about the couple and to purchase your very own piece of their honeymoon! On behalf of the happy couple we thank you for your support!
